- Meet The Experts -

2nd Zurich Winter Meeting on Craniofacial Trauma Management

- Simulation-based Training in Surgical Airway Management
- Hands-on in Mandibular Fracture Treatment

Zurich, Switzerland

December 01st, 2017

In conjunction with:

Department of Oral & Maxillofacial Surgery
University Hospital Zurich, Switzerland

Head: Prof. Dr. Dr. Martin Rucker

Simulation-based
Training /
Limited Attendance

International S.O.R.G. Course

2nd Zurich Winter Meeting on Craniofacial Trauma Management

Course Chairmen

Martin Rücker,
CH-Zurich

Harald Essig,
CH-Zurich

Faculty

Michael Blumer, Zurich / Switzerland
Roman Eberhard, Zurich / Switzerland
Harald Essig, Zurich / Switzerland
Thomas Gander, Zurich / Switzerland
Bastian Grande, Zurich / Switzerland
Peter Kessler, Maastricht / The Netherlands
Michaela Kolbe, Zurich / Switzerland
Dilek Könü, Zurich / Switzerland
Jan de Lange, Amsterdam/The Netherlands
Andreas Neff, Marburg / Germany
Martin Rücker, Zurich / Switzerland
Maximilian Wagner, Zurich / Switzerland

Who should attend

This meeting should be of interest to all professionals involved in facial trauma management – consultants and trainees in oral and maxillofacial surgery, otolaryngology as well as trauma surgery.

Course aim

To discuss and share experience in facial trauma with special focus on simulation-based training in surgical airway management as well as hands-on mandibular trauma workshops.
