International S.O.R.G. Course

# Current Developments in OSA Treatment

## Course Chairman

**Prof. Jan de Lange, MD, DMD, PhD** (JL)  
Professor of Oral and Maxillofacial Surgery, Chair of the Department of Oral and Maxillofacial Surgery and Dentistry in the Academic Medical Center (AMC), Academic Centre for Dentistry Amsterdam (ACTA), Amsterdam, The Netherlands

## Who should attend

This meeting should be of interest to all professionals involved in the treatment of patients with obstructive sleep apnea (OSA) – consultants and trainees in both orthodontics and oral and maxillofacial surgery as well as ENT specialists and pulmonologists.

## Course aim

- To discuss and share experience of the treatment of OSA
- To demonstrate new technologies and treatment options for OSA
- To present scientific outcome evaluations of current therapy modalities
- To discuss the indication for different treatment options
