# 8<sup>th</sup> Euregional Course on Aesthetic and Reconstructive Surgery of the Face Maastricht, March 17<sup>th</sup> – 18<sup>th</sup>, 2017

Dear Colleagues,

Join us at the 8<sup>th</sup> Euregional Course on Aesthetic and Reconstructive Surgery of the Face which will focus on surgical approaches to the face and the dissection of facial soft tissues. Again we were able to assemble an outstanding international faculty to share their exceptional experience by a great variety of lectures and clinical presentations. Anatomical, clinical and practical considerations come to the fore: blepharoplasty, midface- and face-lift procedures, local skin reconstructive techniques, lip- and face reconstruction are the key issues of the course.

**Special attention will be paid to the topographic anatomy of the face.** The audience gets the chance to discuss each surgical step with the surgeon, the anatomist and the faculty members.

Furthermore we offer the opportunity of a **dissection course with exclusively fresh frozen specimen.** The participants will be able to perform all desired procedures and surgical techniques comparable to the real theatre setting. We provide a detailed dissection manual with illustrative step-by-step instructions. Additionally each participant will have the chance of personal teaching by our team of experts.

2017 will be the first time that the faculty offers the additional option of adding an interesting pre-course day on principles in cleft surgery including cadaver dissection as well.

We will provide a professional, yet intimate atmosphere and are looking forward to welcoming you in Maastricht.

**Peter Kessler**  
MUMC Maastricht

**Gwen Swennen**  
GH St-John Bruges-Ostend

## Course Topics

- Anatomy of the face
- Anatomy of the skin
- The aging skin
- Approaches to the face under aesthetic aspects
- Dissection of the skin
- Dissection of the SMAS layers
- Lifting and suturing techniques
- Dissection of the facial nerve
- Dissection of local skin flaps
- Lip reconstruction
- Fillers and Botox

Course under the auspices of the S.O.R.G. Academy

## Course Directors and Organization

**Prof. P. Kessler**,  
Maastricht, NL

**Prof. G. Swennen**,  
Bruges, BE

University Clinic for Cranio-Maxillofacial Surgery  
MUMC Maastricht  
Postbus 5800  
NL-6202 AZ Maastricht  
The Netherlands

## Distinguished Guest Faculty

**M. Gaboury**, Quebec, CA  
**A. Herrler**, Maastricht, NL  
**K. Ingels**, Nijmegen, NL  
**A. Lataster**, Maastricht, NL  
**J. Camilo Roldán**, Hamburg, DE

## Program (optional course day) Thursday, March 16<sup>th</sup>, 2017

(additional registration necessary)

### Course on Palate Surgery – Principles in Cleft Surgery

Anatomy & Embryology, Faculty of Health, Medicine & Life Science  
Maastricht University, Universiteitssingel 50, 6229 ER Maastricht

**Hands-on course, limited attendance max. 8 participants, per participant one fresh-frozen cadaver specimen, 09:00 – 16:00**

- Brief lectures on embryology and anatomy of the palate (normal & cleft)
- Surgery of the hard palate
- Surgery of soft palate (velum) – dissection
- Palate repair
- Velopharyngoplasty (preparation)

## Program

### Friday, March 17<sup>th</sup>, 2017

Maastricht, van der Valk Hotel

**08:30 – 09:00 Registration**

**09:00 – 09:30** Introduction **Kessler**

**09:30 – 10:30** Facial anatomy – part I: **Lataster/Herrler**

- The skin – regional differences
- The lymphatic and vascular system – drainage of the face

**10:30 – 10:45 Coffee Break**

**10:45 – 12:00** Facial anatomy – part II: **Lataster/Herrler**

- SMAS and mimic muscles – a functional system
- The facial and the trigeminal nerve – a good team
- The parotid gland from a topographic point of view

**12:00 – 12:30** Discussion

**12:30 – 13:30 Lunch Break**

### Friday, March 17<sup>th</sup>, 2017

#### Continuation

**13:30 – 14:00** Photo documentation in aesthetic surgery of the face **Kessler**

**14:00 – 14:45** Facial anatomy as a key issue in reconstructive and aesthetic surgery of the face **Roldán**

**14:45 – 15:30** Anatomic basis and clinical guidelines for safe application of HA fillers and BTX **Gaboury**

**15:30 – 16:00 Coffee Break**

**16:00 – 16:45** “Step-by-step” surgical technique towards brow-lift, face and neck-lift **Swennen**

**16:45 – 17:30** Blepharoplasty – anatomy, incision lines, variations **Ingels**

**17:30 – 18:15** The lips – an aesthetic entity of its own **Roldán**

**18:15 – 18:30** Introduction to the cadaver dissection course **Böckmann**

**19:30** Get-together and dinner with the faculty – Restaurant in the Museum, Vrijthof, Maastricht

### Saturday, March 18<sup>th</sup>, 2017,

#### 09:00 – 16:00 (Bus transfer from Hotel van der Valk)

Anatomy & Embryology, Faculty of Health, Medicine & Life Science  
Maastricht University, Universiteitssingel 50, 6229 ER Maastricht

- Hands-on course with exclusively fresh frozen specimen
- Limited attendance / one specimen for two participants
- Personal teaching by the faculty with step-by-step teaching
- Incision / approaches for lifting procedures
- Dissection of the SMAS and sub-SMAS
- Dissection of the fasciae (superficial/innominata/deep) of the temporal muscle
- Dissection of the platysma
- Dissection of the facial nerve
- Dissection of typical local flaps

## Registration and Information

[www.sorg-group.com](http://www.sorg-group.com), [info@sorg-group.com](mailto:info@sorg-group.com)

I want to register for the “8<sup>th</sup> Euregional Course on Aesthetic and Reconstructive Surgery of the Face”, Maastricht, March 17<sup>th</sup> – 18<sup>th</sup>, 2017

### Participant Fee

- Course without cadaver dissections € 590,-
- Course incl. cadaver dissections (Sat) € 1.100,-  
(10 workstations for 20 participants)
- Optional Cleft Day only (Thu) € 500,-
- Course incl. cadaver dissections (Thu + Sat) € 1.600,-

### For all participants from the EU

Verification of entrepreneurial status according to council directive 2008/8/EC. Please tick your corresponding category:

Private individual (employee in a practice/hospital)

Entrepreneur / trader (owner of a practice/hospital)  
(Please provide an extract from the commercial register or entrepreneurial status issued by your tax office.)

Employee and entrepreneur (owner of a practice/hospital and employee in a practice/hospital)

## Payment
